**OUTSIDE Australia return method - tick one**

- \$15AUD\*\* Air Mail: \*6-14 working days - no tracking (due to value of some shipments this service not available)
- \$27AUD\*\* Registered Air Mail: \*6-14 working days with signature at delivery
- \$56AUD\*\* Express Courier International: \*2-6 working days online tracking & signature at delivery

\*delivery times are indicative and out of the control of Transponder Services

\*\* prices are in Australian dollars and cover shipments of up to 500grams (1 pound)

Return postage for 10 repaired AMB20/rc is FREE via registered air mail, 20 repaired AMB20/rc is FREE via Express Courier

**Payment from outside Australia**

Payment is not required until AFTER transponders have been received and examined/repared. You will be advised via email when your shipment arrives and again shortly after with a report and invoice. Several payment options available

**IMPORTANT—Sending from outside Australia**

When lodging to send, the transport company/post office will supply a simple customs declaration form.

On it state "timing electronics for repair & return", and **value must be stated at LESS than \$900AUD.**

See [www.xe.com/ucc](http://www.xe.com/ucc) to convert to your currency.

If value is stated at more than \$900AUD then you will be responsible for the Australian import taxes.
